Good afternoon,

The following is simply meant to serve as a reminder of the minimum fire department requirements:

- **Roadways/Driveways/Parking Lots**
 - o Entrance shall be void of all obstacles to a minimum of 30 feet (i.e. light poles, trees, shrubs, stone walls, gates and posts, mailboxes, etc.)
 - o Should be at least 24 feet wide, preferably 28 feet wide
 - o Parking lots shall have turning radii that will accommodate fire apparatus
 - o Grade changes cannot change more than 5% in any 75 foot length, with minimal percentage change at changes of direction points (intersections)

Thank you.

Respectfully,

Captain Michael Killeen
Fire Prevention Officer
Grafton Fire Department
